all sys run down at once

thus the prop of one sustaining and the other strangling
what happs theyborrowed the worst fm ea other--partial ans

mach trick us liter and by anal/ ans had to be literal and
simple since nobody could read

russ usa w china hope

various experts

prophets

thing preventing most bringing about

homebrew brought by china

all sys hav froze

get drunk and try keys

are we gonna do it or pretend to etc.

how do we know?

so hairy chinaman freezes

tauntoing about p[re v mistakes which cost cities

who missed cinnicinatti?
" Petrograd?

Both had good german food P? You could find it.
